

Diode International™

Made by Sweden

ST SOLAR-M-30W		Features: Elegant Integrated Design, Aluminum alloy case Night sensor + PIR motion sensor 120° wide lighting angle, 12m detecting distance Support 3 nights after full charging Easy to install and Auto on/off/PIR		Sample Price(USD)		
		LED	3000Lumens, 2700K ~6500K	Lighting mode		
		Li-ion battery	252WH	25% dim light + motion sensor (Bright lighting 30secs when people move through the light)		
		Solar Panel (high efficiency mono)	18V35W			
		Install height	4-5 meters	Packing details: Retail packaging: 116*31*21CM G.W/Pcs: 10KG		
		Waterproof	IP 65			
		Solar charging time	9-10 hours by bright sunlight			
		Lighting time	Over 3 nights			
		Material	Aluminium alloy + toughened glass			
Size	1098*227*164mm					
Work temperature	-25°C to 65°C					
Warranty	50000h/3 years					

Diode International™

Made by Sweden

ST SOLAR-M-50W	 	<p>Features: Elegant Integrated Design, Aluminum alloy case Constant current output! Night sensor + PIR motion sensor PIR 120° wide detecting angle, 12m detecting distance Support 3 nights after full charging Easy to install and Auto on/off/PIR</p>		Sample Price(USD)
